**Destination ImagiNation®**  
***Instant Challenge***

**You Said What?**

**Challenge:** Your team is to create a unique communication system and present it in a **PERFORMANCE** to the appraisers.

**Time:** You will have up to 5 minutes to use your IMAGINATION to create your new communication system as well as plan your **PERFORMANCE**.

**The Scene:** You have been to the newly discovered planet of DI. The species that live there communicate nonverbally. In order to make yourself understood you must create a new way to communicate. Your team will use five materials to create a new communication system. You will then communicate a message nonverbally using your system that will be presented to the appraisers in a **PERFORMANCE**. You will be provided with a piece of paper to write down what it is you are communicating.

- **Part One** (5 minutes): Using your imagined materials your team will create a communications system as well as create your message. You may talk during this time. You may also use this time to plan your **PERFORMANCE**.
- **Part Two** (2 minutes) Present your **PERFORMANCE** nonverbally to the appraisers.

**Materials:** Your Imagination

Your team will have a piece of paper and pencil to use as you plan and present your **PERFORMANCE**. You will also be given a piece of paper to write your message on.

**Scoring:** You will receive up to

- A. 25 points for the creativity of the team's message.
- B. 5 points each (25 points max) for each imaginary item used in your message
- C. 25 points for the creativity of the team's performance.
- D. 25 points for how well your team works together.

Team Manager:

For elementary teams give them a list of items they can use for their imaginary items. Example: A rope, a ladder, a ball etc

Review the concept of exaggerated resistance with them.

Team hints-How many imaginary items do you need in your message? Can you talk in part Two?

What does each IC have for points?
