

**IMPORTANT!!!**  
**Information about what you may not use to**  
**solve your team challenge in Wisconsin Destination Imagination**

Be sure to review the Rules of the Road (pages 21 and 22) for items that may not be used to solve the team challenge.

For safety reasons and in compliance at every tournament facility, Wisconsin Destination Imagination does not allow the following to be used to solve your challenge for your Regional and your Affiliate Tournament:

Dimming Lights / Darkness

Helium

Latex (if you are using balloons to solve your challenge, please have your receipt available to confirm the balloons are latex-free – but again, they may not be filled with helium)

Dry Ice

We are confident that you will have creative ways to solve your challenge with safe measures that you will figure out before your competition **TIME!**

Jean Fugate

Affiliate Tournament Director
